INDEX
THE FREEMAN
Volume 42
January-December 1992

Prepared by Beth A. Hoffman

NOTE: In page references, the number preceding the colon designates the month, the numbers following refer to pages. All articles have at least three entries—author, title, and subject, except in a few cases when the title and the appropriate subject coincide. Books reviewed are listed alphabetically by their author(s) on page 496; the names of their reviewers are included in the master index.
